Read all instructions before using this furnishing.

DANGER – To reduce the risk of electric shock:

- Always unplug this furnishing from the electrical outlet before cleaning or servicing.

WARNING – To reduce the risk of burns, fire, electric shock, or injury to persons:

- Unplug from outlet before putting on or taking off parts.
- Never operate this furnishing if it has a damaged electrical cord or plug, if it is not working properly, or if the electrical cord or plug has been damaged or dropped into water. Stop using this furnishing and call a service center for examination and repair.
- Keep the electrical cord and plug away from heated surfaces and other heat sources.
- To disconnect, turn all controls to the off position, then remove plug from outlet
- When operating, ensure that electrical cord is not under the base, legs, or motion mechanism to avoid damage to electrical cord or plug.
- Do not strain or stretch electrical cord.
- Do not use extension cords or power strips.
- Keep out of reach of children. This is not a toy.
- Plug directly into a compatible electrical socket.
- Do not modify the plug or use any adapters.
