IN THE BOX

×4

Plastic Pyramid Leg
pre-drilled, two screw holes

×8

#8 × 2" Wood Screw
4.17 mm width — two per leg

×4

Adhesive Felt Pad
peel & stick floor protection

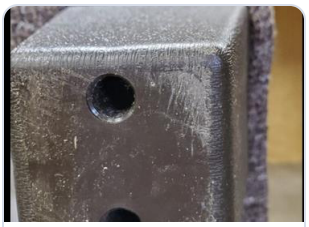

FIND IT **Hardware pack location:** behind the pillows, attached to the cushion / pillow tie — plus 1 copy of these assembly instructions.

YOU NEED **#2 square-bit or Phillips-bit screwdriver** — tool not included.

ASSEMBLY IN 6 STEPS

1. Remove the hardware from the red zip bag.
2. Place a leg at one corner, inset 1/8"–1/4" from the edges (see photo - Step 2).
3. Drop a #8 2" wood screw into each of the two larger holes on the bottom side of the leg (see photo - Step 3).
4. Turn each screw clockwise until the leg sits snug against the bottom of the furniture. **Use caution not to over-tighten.** (see photos - Step 4)
5. Repeat steps 2–4 for the remaining three corners (see photos - Steps 2–4).
6. Peel each felt pad from its backing and press it onto the center of the leg (see photo - Step 6).

SEE IT DONE

Step 2 — leg placed at the corner

Step 3 — screws in the larger holes

Step 4 — screw & driver bit *(tool not included)*

Step 4 — #2 square-bit screwdriver *(tool not included)*

Step 4 — Phillips-bit screwdriver *(tool not included)*

Step 6 — felt pad applied
