PARTS LIST			
wood Leg 4 pieces		washer 4 pieces	

STEP 1
Unzip the dust cover underneath the seat and locate a bag. Remove the wooden legs from the bag.

STEP 2
Each leg needs a plastic washer. Place a washer onto the bolt of each leg.

STEP 3
Attach each leg to the corresponding pre-drilled holes by turning them in clockwise direction until tight.
Note: Do not over-tighten the legs, as damage could occur.
