*****Caution: Please read all instructions carefully before starting the assembly process. These parts are cumbersome and heavy. Therefore, two people are recommended in order to prevent personal injury and ensure the parts are not damaged during the assembly.**

Step 1- Prepare the Work Area

1. Place on a clean, flat surface to avoid scratching or damaging the fabric.
2. Carefully turn onto its back so the base is facing upward toward your work area.

Step 2 - Position the Legs

1. Take one leg and place it near the corner of the base.
2. Align the leg approximately $\frac{1}{4}$ inch from both the front/back edge and the side edge of the bottom surface.

Step 3 - Attach the Legs

1. Insert 2-inch screws into the holes provided in the leg.
2. Using a screwdriver tighten the screws until the leg is secure.

Step 4 - Repeat for Remaining Legs

1. Repeat Steps 2 and 3 for the remaining legs.

Step 5 - Final Check

1. Make sure all legs are securely fastened and evenly aligned.
2. Carefully return to its upright position.
