ASSEMBLY INSTRUCTIONS

STEP 1. Attaching the KD Backs:

Position the backs of Recliner Sofa with the KD receivers positioned over the mechanism. Check to assure the mechanism are positioned inside of the KD receiver on the back frame, push in a downward motion from the top of the back frame until a clicking sound is heard.

STEP 2. Attaching the KD Wings:

Carefully align the slide of Left Wing with the slide of Left Back Cushion (Right Wing with the slide of Right Back Cushion) and slide into place. Press down firmly until the wing and backrest are aligned.

MANUAL CONTROLS

Pull the Manual handle.

WARNINGS

*Clearance to the wall 30 cm

*Avoid placing unit in areas where unit can be exposed to direct sunlight other powerful light sources,
*Keep unit at least 24" from all heat sources.

as fading or discoloration may occur.

*Do not reach under seat when mechanism is operating or serious injury may occur.

*Reclining mechanism should only be operated while seated properly.

Do not sit on arms or backrest
Do not jump or roughhouse on furniture

*If unit must be moved, do not drag. Unit must be lifted in order to be moved.

*Do not continuously operate mechanism for more than one minute or unit may go into protection mode by shutting down to prevent overheating.

*Unplug unit from power source prior to cleaning mechanism.

*Do not allow electrical components to come into contact with any liquids.

CARE AND CLEANING

*Upholstered furniture is packaged tightly to protect it during transit. This packaging can sometimes cause creases or misshaped cushions when the furniture comes out of the packaging. These issues will correct themselves over time as the fibers of the cushions are exposed to air. However, shaping the cushions with your hands can alleviate the creases and compressed fibers more quickly.

Before shaping

After shaping

*Dust often and use a vacuum cleaner to remove debris from seams and crevasses.

*Use a soft damp cloth to gently clean soiled areas and wipe clean. Do not rub.

*Do not use household cleaners or solvents. Such cleaners may cause damage and/or discoloration.

*Do regularly use dedicated leather care product onto the leather furniture to prevent built up of body oils.
