2, 3	Plastic Pyramid Leg 	4
3,4,	#8 - 2" Wood Screw	8
	Assembly Instructions	1

1. Remove hardware from red zip bag.
2. Place leg at one corner inset 1/8" - 1/4" as shown in Figure 1.
3. Place a 2" Wood Screw in the two larger holes on the bottom side of the leg, Figure 2.
4. Using a #2 square bit/screwdriver, shown in Figures 3, 4, and 5 (not included), turn the screw clock wise until the leg is snug with the bottom of the piece of furniture. Use caution not to over-tighten. Repeat for the second screw.
5. Repeat steps 2-4 for the remaining 3 corners.
