B		Ottoman W/Castors	1

No.	Picture	Description	Q.ty
C	 H:50mm	Leg	4
D		Plastic Washer	4

Caring for Your Furniture

To ensure your swivel chair maintains its beauty, comfort, and durability for years to come, please follow these Care & Maintenance Guidelines.

The Enemies of Furniture

To extend the life of your chair, avoid exposure to these common threats:

- **Sunlight & Heat:** Prolonged exposure to direct sunlight or heat sources may cause fading or discoloration of the fabric upholstery.
- **Moisture:** Avoid excessive moisture or damp environments, as this may damage the upholstery and internal structure.
- **Harsh Chemicals:** Do not use bleach, ammonia, or solvent-based cleaners, as they may damage the fabric surface.
- **Sharp Objects:** Keep sharp items away from the chair to prevent snags, scratches, or tears in the fabric.
- **Uneven Surfaces:** Place the chair on a flat and stable surface to ensure proper swivel function and to prevent stress on the internal base structure.

Tips for Better Maintenance

Simple care routines will keep your chair looking and feeling its best:

- **Regular Cleaning:** Vacuum the upholstery regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** Clean spills immediately by blotting gently with a clean cloth and mild soap solution. Do not rub harshly.
- **Fabric Care:** Avoid excessive friction to maintain the texture and appearance of the fabric upholstery.
- **Pillow Care:** Fluff and adjust the back pillow regularly to maintain comfort and shape.
- **Swivel Base Care:** Keep the swivel base area clean and free from debris to ensure smooth rotation. Avoid forcing the chair to rotate beyond its normal range.

With proper care and maintenance, your swivel chair will remain comfortable, stylish, and functional for years to come.

 For indoor residential use only.
