Back Assembly:

⚠ WARNING – To reduce the risk of injury:

- Do not operate the unit until the back is installed and locked.

Install the back

1. Align the brackets on the back with the brackets on the body (FIGURE 1).
   - The back brackets may be located on the outside or inside of the back assembly.
2. Lower the back onto the body, making sure the back and body brackets are completely engaged.
3. Push the locking levers down to lock the brackets (FIGURE 2).
   - If you are unable to install the back properly, contact your La-Z-Boy dealer for assistance.
