1. We recommend that you should assemble this product with the assistance of another person; this will make assembly easier and will eliminate damage to the product or injury to persons during assembly.

2. Please do not over tighten screws or bolts until assembly is complete.

3. Please put all parts on a non-abrasive floor before assembly, and follow assembly steps to assemble your newly purchased product correctly and efficiently.

## STEP 1

Open the carton and take out the chair. You can find the wooden base on the chair seat. The hardware bag will be in a small bag tied inside to wooden base.
