It is strongly recommended that this table be assembled by **TWO PERSONS** to avoid marking or scratching the finish. It is easier to assemble this product upside down.

1. Locate and unpack all of the parts required and place them on a soft surface (i. e. carpet).
2. Match numbers on Stretcher to numbers on Legs Assemblies
3. Attach Stretcher to Legs Assemblies using 3/16 x 1/2 Bolts as shown. Leave loose.
4. Tighten all Bolts.
5. Place the Top assembly upside down on a soft surface.
6. Align match marks on Stone Top to the drill holes on the tabs of the metal base.
7. Attach Stone Top to Metal Base using 10 x 3/4 screw as shown.
8. Turn the completed table upright.

It is recommended that you periodically check and tighten all parts during the lifetime of the product. Clean with a damp cloth and buff dry with a soft cloth. Use of commercial polishes or waxes is not recommended. Use coasters under beverages and articles that may scratch. Do not place hot items directly on the surface.
