**\*\*\* Caution:** Please read all instructions carefully before starting the assembly process. These parts are cumbersome and heavy. Therefore, two people are recommended in order to prevent personal injury and insure the parts are not damaged during the assembly

## STEP1:

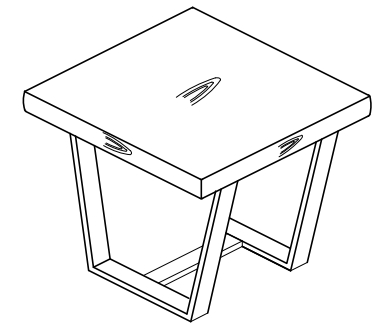

Lay the metal frames upside down, on a carpeted or protective surface, to avoid damage. Attach the stretch between the two frames by using the provided screws.

## STEP2:

Lay the table top upside down, on a carpeted or protective surface, to avoid damage. Attach the legs, using the provided screws and washers, aligning the holes, into the threaded inserts, tighten securely.

## Finsh:

Stand the table upright.
