3	H	Top Assembly	No	1

It is strongly recommended that this table be assembled by TWO PERSONS to avoid marking or scratching the finish.

Please do not tighten screws or bolts until assembly is complete.

Locate and unpack all of the parts required and place them on a soft surface(i.e. carpet)

It is recommended that you periodically check and tighten all parts during the lifetime of the product.
Clean with a damp cloth and buff dry a soft cloth. Use of commercial polishes or waxes is not recommended.
Use coasters under beverages and articles that may scratch. Do not place hot items directly on the surface.

STEP 1

- Align the Legs B and C with the Leg Stretcher A and insert carefully.

Step 2

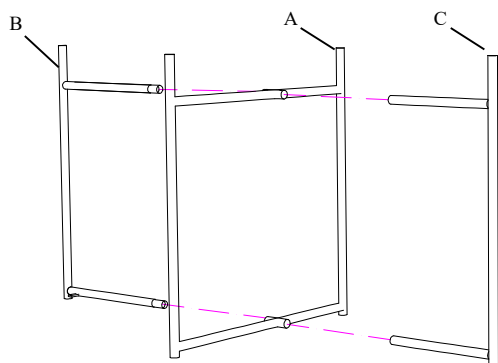

- Attach them using Bolts D and lock washers E as shown. Leave loose.

Step 3

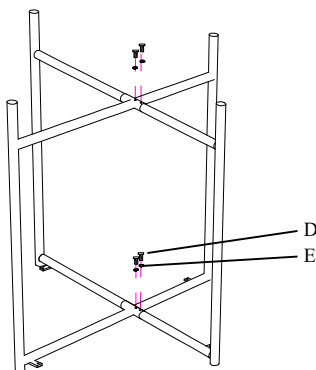

- Place the Top assembly H upside down on a soft surface.
- Align the assembled Legs with the Top.
- Attach Legs to the Top Assembly using F bolts and G lock washers.

Step 4

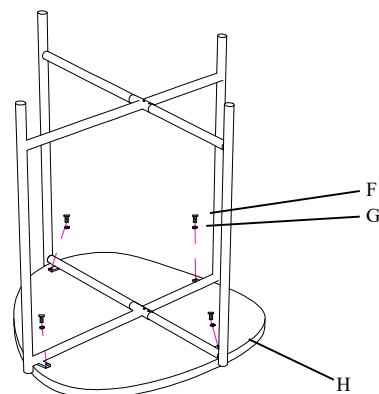

- Tighten all Bolts.
- Turn the completed table upright.
