THANK YOU FOR YOUR PURCHASE

WARNING DANGER

Failure to follow these warnings and assembly instructions could result in serious injury or death. To help prevent serious or fatal injuries from entrapment or falls:

- Read all instructions before assembling bunk bed and keep these instructions for future reference.
- Before each usage or assembly, inspect bunk bed for damaged hardware, loose joints, missing parts, or sharp edges. DO NOT Use bunk bed if any parts are missing or broken.
- DO NOT Use substitute parts. Contact your local Rooms To Go or visit www.ROOMSTOGO.COM for replacement parts and instructional literature if needed.
- Follow the information on the warnings appearing on the upper bunk end structure and on the carton, DO NOT REMOVE WARNING LABEL FROM BED.
- Always use the recommended size mattress or mattress supports, or both to help prevent the likelihood of entrapment or falls.
- Ensure thickness of mattress and foundation combine does not exceed **10 inches (255mm)** and mattress surface is at least **5 inches (127mm)** below upper edge of guardrails.
- Do not allow children under 6 years of age to use the upper bunk.
- Periodically check and ensure that the guardrail, ladder, and other components are in their proper position, free from damage, and that all connectors are tight.
- Do not allow horseplay on or under the bed and prohibit jumping on the bed.
- Limit top bunk use to one person.
- Always use the ladder for entering and leaving the upper bunk.
- Use of night light may provide added safety precaution for a child using the upper bunk.
- Always use guardrails on both long sides of the upper bunk. If the bunk bed will be placed next to the wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and wall.
- The use of water or sleep flotation mattress is prohibited.
- This bunk bed meets all the requirements of ASTM 1427-19.

STRANGULATION HAZARD:

Never attach or hang items to any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, and jump ropes.
