NOTE: When placing the Console on a Full Loft Bed or Full Bunk Bed, please ensure the following:

For the upper bed, position the Console at the front side. DO NOT place it at the back, as this will block the ladder or staircase entrance.

For the lower bed, position the Console at the back side. DO NOT place it at the front, as the child would need to climb over it to get in or out of bed, which is not recommended.

TIP: For the Full Bunk Bed, we recommend purchasing two Consoles so that both children have their own and can enjoy equal comfort.
