Legs and Hardware inside

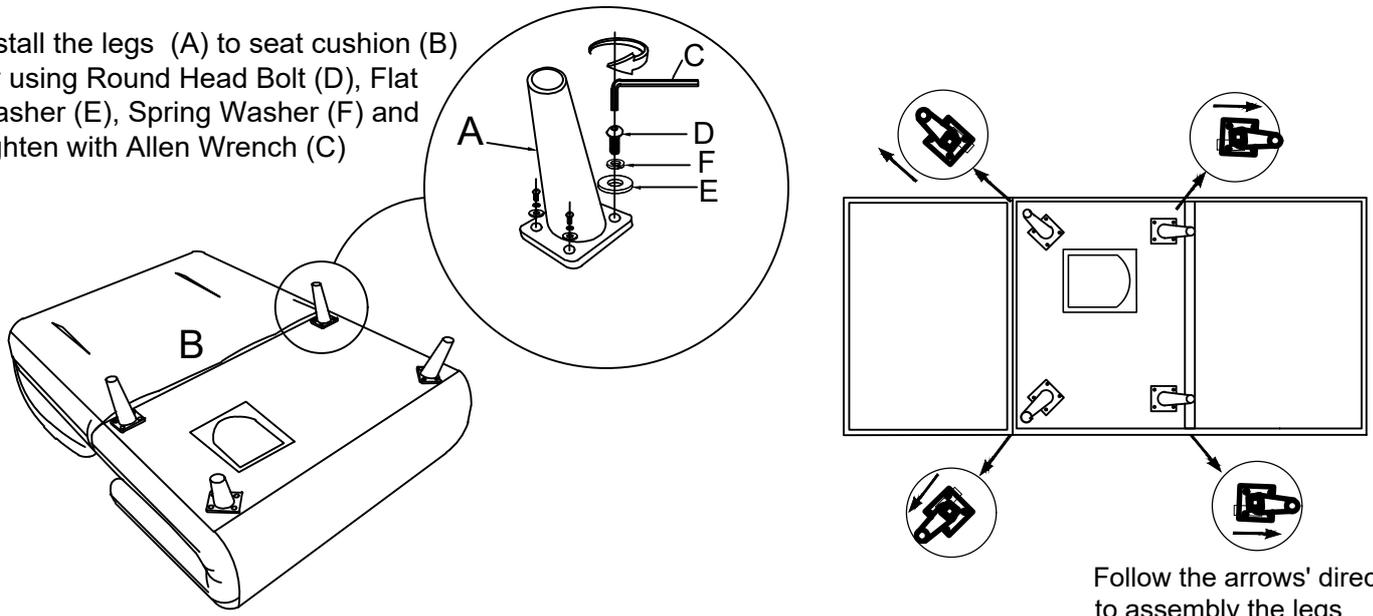

DO NOT USE SUBSTITUTE PARTS. PLEASE CONTACT YOUR RETAIL STORE OR WWW.ROOMSTOGO.COM WITH SERVICE OR PARTS REPLACEMENT REQUEST

This product is manufactured by (TEAE) for **ROOMS TO GO® | KIDS**

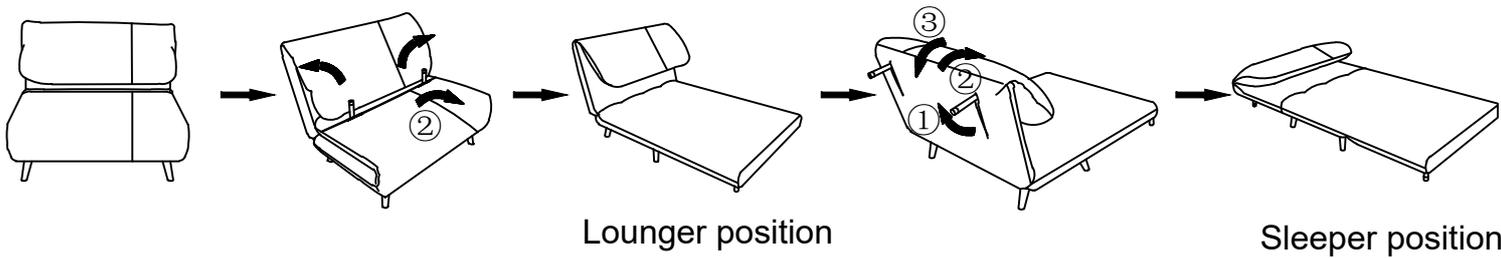

Thank you for purchasing this quality product. Be sure to check all packing material carefully for small parts that may have come loose inside the carton during shipment. Identify and count all parts and compare with the hardware list below.

Assembly Instructions

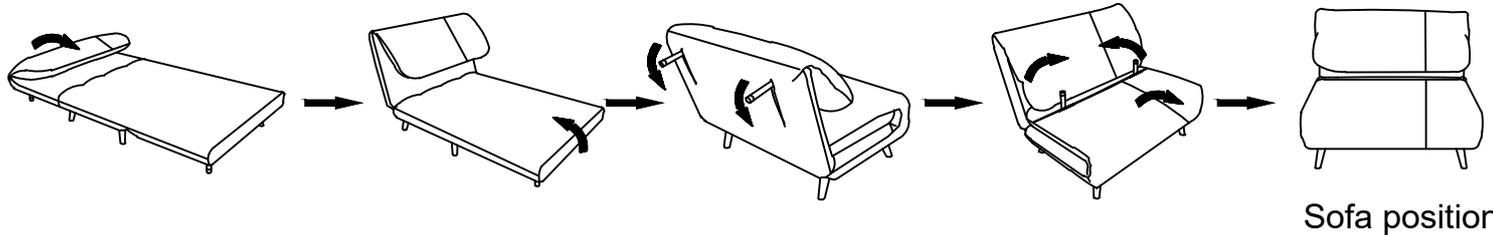

Step 1: Install the legs (A) to seat cushion (B) by using Round Head Bolt (D), Flat washer (E), Spring Washer (F) and tighten with Allen Wrench (C)

Step 2: There are two metal legs stored in the pouch at both ends. Extend the legs and unfold the panel to convert it into the Lounger position, and then further unfold the backrest to transform it into the Sleeper position.

Step 3: To convert it to the Sofa position, push the backrest and the panel upward, then fold the legs into the pouch. Remarks: The backrest can be adjusted to different positions. There is an adjustable mechanism frame inside the sleeper's back. Please push the back forward slightly before adjusting to the next position.

Caring for Your Furniture

To ensure your product maintains its beauty and comfort for years to come, please follow these Care & Maintenance Guide.

The Enemies of Furniture

To extend the life of your product, avoid exposure to these common threats:

- **Sunlight & Heat:** Direct sunlight or heaters may cause fading and weaken fluffy fibers.
- **Moisture & Spills:** The fabric is absorbent-wipe dry immediately to prevent staining and protect electrical parts.
- **Harsh Chemicals:** Do not use bleach, ammonia, or alcohol-based cleaners, as they can damage fibers.
- **Sharp Objects & Pets:** Fluffy fabric can snag easily-avoid pet claws, keys, or other sharp objects.
- **Uneven Surfaces:** May affect the balance of the stainless steel legs

Tips for Better Care

Simple habits to keep your product clean, soft, and functional:

- **Regular Vacuuming:** Use a soft-brush attachment to remove dust and debris between fibers.
- **Gentle Spot Cleaning:** Treat stains with a damp cloth and mild soap solution; blot gently, do not scrub.
- **Fabric Brushing:** Use a soft fabric brush to keep the fibers aligned and smooth
- **Stainless steel Legs:** Wipe clean along the grain of the stainless steel with a dry cloth by using soda water until it shines.

With regular care, your product will stay smooth, stylish, and supportive for years to come.

 For indoor residential use only.
