NOTES:

- Please read the instruction sheets completely before assembly.
- Remove all parts from carton and ensure all parts are included prior to assembly.
- Assemble the chair on the carton or carpet to prevent scratching the chair.
- Be careful not to cross-thread bolts.
- Do not stand on the seat cushion.
- Do not allow children to play on or near this product.
- For indoor use only. Please do not expose to direct sunlight, sources of excessive heat, or use in wet or damp environments.
- Only a damp cloth should be used to clean the upholstery surface. For persistent stains and overall cleaning, contact a professional upholstery cleaning company.
- Light-colored upholstery is prone to color transfer from certain clothing and other materials, such as denim jeans. Promptly treat any color transfer with mixture of mild soap and water, avoiding contact with harsh chemicals. Never use cleaners containing alcohol or bleach. Spot-test cleaners on an inconspicuous area before applying to visible surfaces.
- The casters sold with this chair are intended for use on carpet and not recommended for use on tile or hardwood floors. Using these casters on tile or wood flooring may cause floor surface damage. Please consider purchasing a chair mat to protect your floor surfaces.
- Do not use power tools. Only use the allen key provided. Check and re-tighten bolts every 90 days.

Step 1

Select a smooth surface to avoid scratching the parts. Take off Base Cover (C) from the Base (B), then turn the base over. Insert Metal Legs (D) into the Base (B) and secure using 18mm Bolts (I) with Allen Key (L).

Note: Tighten the bolts completely.

Warning: Fully hand-tighten all 5 bolts at each leg/hub connection using Allen Key (L). Be careful **NOT** to overtighten or strip bolts. **DO NOT** use power tools. If you experience a problem with the leg attachment or are unable to fully tighten any of the bolts, **STOP. DO NOT** use the base. Contact Customer Support for assistance. All bolts should be checked and re-tightened every 90 days.

Operating Instructions

Function Instruction - 1

To Adjust Seat Height:

While seated, lean forward and reach under the right side of the chair to find the handle. Lift the handle and raise your body up slightly to allow the chair to rise to the desired height. Once desired height is reached, release handle to lock chair at desired height. To lower the seat, lift the handle while seated. The chair will descend until the handle is released or the chair reaches the lowest position.

Function Instruction - 2

To Operate Tilt Lockout:

While seated, reach under the right side of the chair to find the height adjustment handle. Pull the handle all the way out (away from the gas lift) to allow the chair to tilt backwards. To lock the chair in the vertical position, sit upright and push the handle in towards the gas lift.

Operating Instructions

Function Instruction - 3

To Adjust Tension On The Tilt:

While seated, reach under the front center of chair seat and grasp the round black tension knob. To loosen the tilt mechanism, turn the knob clockwise. This lessens the effort required to rock back and forth. Rotate the knob until desired resistance is reached.

Function Instruction - 4

360° Swivel:

360° seat swivel.
