

Caution: Please read instructions thoroughly before unpacking assembly parts.

1. We recommend that you assemble this product with the assistance of another person. This will make assembly easier and help to eliminate damage to the product or injury to persons during assembly.
2. Be sure to check all packing materials carefully for small parts that may have come loose inside the carton during shipment.
3. Please put all parts on a non-abrasive surface and follow the assembly steps to assemble your newly purchased product correctly and efficiently.
