***Cautions: Please read all instructions carefully before starting the assembly process. These parts are cumbersome and heavy. Therefore, two people are recommended in order to prevent personal injury and ensure the parts are not damaged during the assembly.

STEP 1:

Turn server to the upright position. Apply firm pressure to align Leveler.

STEP 2:

There is a tip restraint kit provided on the back of the drawer front. Please read the instruction thoroughly and install immediately when placed at home.
