Thanks for purchasing this quality product. Be sure to check all packing materials carefully for small parts, which may have come loose inside the carton during shipment. Identify and count all parts and compare with the Hardware List below

Step 1: Place the Leg part (Part A) on the clean, soft surface as a blanket or carpet. Assemble the Seat part (Part B) to the Leg part (Part A) by Bolts M6, Spring washers M6, Washers M6 (Part D, F, F) and loosely tightening with Allen key (Part G). When inserting the bolts, loosely tighten each about 5-6 full turns and ensure each of the 4 bolts fit well.
