

ASSEMBLY INSTRUCTIONS

[MAMG][8080][PBAY SLING CHAISE]
Manufactured for Rooms to Go
[SKU:70680802]

DEAR CUSTOMER,

Congratulations on your purchase of this SVLK - certified Chaise !

To assemble this furniture, you need a 16mm (5/8") wrench, a screwdriver and a hammer

Please unpack the carton and check that you have all component listed.

HARDWARE LIST	
 8x Dowels	 4x Stainless Steel Screws #8 x $\frac{3}{4}$ "

PART LIST	
 1x Rear Leg	 1x Chaise Frame
 2x Wheels	 1x Front Leg

STEP 1/7

Lay Chaise Frame component on level and smooth surface, as shown.

STEP 2/7

Lift the front side, then align and insert Front Leg component, as shown. Use the color-coded sticker to guide you. Then, insert wooden dowels into the holes by using a hammer until the dowel is completely flushed inside the holes.

STEP 3/7

Lift the rear side, then align and insert Rear Leg component, as shown. Use the color-coded sticker to guide you. Then, insert wooden dowels into the holes by using a hammer until the dowel is completely flushed inside the holes.

STEP 4/7

Align the SS Plate with pre-drilled holes underneath front leg part, then screw and tighten Screws to further strengthen this area.

STEP 5/7

Unpack the Wheels and unscrew all hardware from the metal threaded pin, but leave the bigger washer on, as shown.

STEP 6/7

DETAIL 'X'

Insert the Wheel from outside of the Rear Leg with the bigger washer in between them. Then, insert the smaller washer from the inner side and tighten the nut with a wrench, as shown. Repeat step to the other side.

STEP 7/7

Make sure everything has been installed correctly and the furniture is stable.
