1. Place the table top (A) upside down on a non-abrasive flat surface. Align the holes in middle legs (B) and table legs (C) with the holes in the table top (A). Loosely secure the legs (B&C) to the table top (A) with the bolts (H) through flat washers (K), lock washers (L) and nuts (M). Do not tighten the bolts at this point.
2. Align the holes in legs (B) with the holes in the leg collecting panels (E), Loosely secure the connector (F) and the leg collecting panels (E) to the legs (B) with the bolts (J) through flat washers (K), lock washers (L) and nuts (M). Do not tighten the bolts at this point.
3. Align the holes in legs (C) with the holes in the leg collecting panels (D&E), Loosely secure the leg collecting panels (D&E) to the legs (C) with the bolts (I) through flat washers (K), lock washers (L) and nuts (M). Do not tighten the bolts at this point.
4. Check the alignment of all legs (B&C), and adjust if necessary. Once the alignment is correct and all bolts are in place, Properly tighten all the bolts (H&I&J) and nuts (M) using wrench (O). Cover the nuts (M) with nut covers (N). With the help of another person, carefully turn the table to the upright position.

Place umbrella cover (G) on table top (A). The table is ready for your enjoyment.

There are locking devices at the slide groove on both sides of the back of the table top. When you want to pull or withdraw the table, please unlock the locking device first and lock the device when you are finished.
