## ASSEMBLY INSTRUCTIONS FOR A198-52 TABLE

### Required: (included)

1 or 2  
People  
10 - 15  
minutes

### Pieces to Assemble:

Table Leg sets (2 )

Table Top (1)

Table Accent Railing (1)

### Hardware: (included – follow yellow ribbon)

20 Washers  
20 Lock Washers  
16 Bolts ¼" x 1"  
4 Bolts ¼" x 3"  
4 Leg Leveling screws  
1 Allen Wrench

### Important care instructions:

### Step 1:

Unpack and identify all Pieces and Hardware

### Step 2:

Place Table Top upside down on a nonabrasive surface.

Attach the 2 sets of legs as shown on images. Insert Lock Washer into Bolt first, then the Washer.

DO NOT TIGHTEN BOLTS until all of the bolts inserted.

### Step 3:

Insert a Leg Leveling Screw into each table leg. Turn the table to its normal position and adjust the screws to make it level. (Leg leveling screw may be already installed)

### Step 4:

Place Metal Table Accent Railing on table aligning it with the 4 holes on table top.

Insert all 4 screws from the bottom. Do not tighten them until all 4 are inserted.

### Step 5:

Dispose of all packing materials properly
